Gilruth Center Fitness 2010 Membership

Is getting in shape at the top of your New Year's resolutions? If so, take advantage of being a Starport Partner and join the Gilruth Center for free. You get access to state-of-the-art fitness equipment, basketball gym, and group exercise classes— all for free. We also offer sports leagues, personal training and recreation classes at nominal fees.

Last year we had over 5000 members and since the majority sign up in January, here are a few tips to make your sign up easy and smooth:

Before you arrive:

- Complete the membership application form and PAR-Q on the Starport website
- Complete the 2010 Mayo Clinic Health Assessment after January 1 on www.explorationwellness.com:
 - oRenewing Members: Log in as a Returning Visitor
 - oNew Members: Log in as a New Visitor
 - oUnique ID: healthiernasa

Beginning January 4, bring with you to the Gilruth Center:

- Current company employee badge
- 2009 Gilruth Badge
- Completed membership application form and PAR-Q
- 2010 Health Assessment Results Summary

We have a lot of members renewing this time of year so please be patient during the renewal process.

Starport's New Year's Resolutions

You are making some New Year's resolutions and so is Starport. Some of our focuses this year are customer service, adding new programs and classes, and improving our facilities.

Let us know what you think.

Visit the Contact Us tab on the Starport website to send us a quick email. We would love to hear your comments.

Employee Discount Program

Have you visited the Starport Employee Discount page on the website?

We offer discounts to many attractions and businesses. This year, we are adding tons of new vendors that are clamoring to give you a discount on goods and services. They are pouring in so check back often as we update the pages. Find discounts to Disney World, Broadway shows, car rentals, AT&T, Barnes & Noble, Apple, Dell, Franklin Covey and more.

Building 3 Construction Update

Construction on Building 3 is still on track for a Spring 2010 opening. If you are onsite and need to grab a bite or a souvenir, stop by our temporary trailers just south of the building or visit us in Building 11.

We sustained some damage from Hurricane Ike and are doing some much needed roof repairs. Since the building was going to be closed for a few months for the repairs, we thought it would be best to go ahead and remodel the serving and dining area. This was planned for later in the year but seemed much more of an inconvenience to our customers to close the building twice in one year for different repairs.

We think you will love the new look of the building. It will feature an expanded coffee bar and lounge area, collaboration center, and food court layout in the serving area. The gift shop is going to get a face lift too.

We will post updates and articles on the process on the Starport website so check back often.
